

SPONSORSHIP INFORMATION AND OPTIONS

Vernon & District Baseball Association (VDBA) would like to take this opportunity to encourage you to become an integral part of our association through sponsorship. Without the support of the local community, the VDBA would not be able to provide the boys & girls with the equipment, coaching & facilities to learn the game of baseball. It is very important that we continue to receive this community support to ensure all the children of Vernon & our surrounding communities have the opportunity to play ball!!

Last year there were over 350 players ranging in age from 5 to 18. Your support assists them in various forms such as;

- player development clinics
- coaches & umpire development clinics
- financial support for tournaments
- assist with the purchase of equipment & uniforms
- financial support to players who need assistance to play
- support the maintenance of the fields & concessions

The players & the executive greatly appreciate your support and hope we can rely on your participation with our association.
